Back with Activity Stops, breathtaking displays, and so much holiday fun!

September 2024, Stanwood, WA – *The Lights of Christmas* is ready to lavishly celebrate Christmas with the community again! This year, we are excited to announce the event will once again feature two Activity Stops, dazzling light displays, yummy snacks, Christmas music and more.

The first Activity Stop, Joyland, allows guests to wander through the Light Maze while snow falls all around them, chat with Bruce the Spruce, the talking Christmas tree, and pick up some delicious, sweet treats from Mustard Seed Baking Company! At the second stop, Santa's Village, visit Santa and Mrs. Claus every night until December 23rd, make a toy at the toyshop, and enjoy photo ops to capture memories.

There is also a new area of the drive-thru route called Gingerbread Lane that will feature a fun bakery theme. It will also feature a brand-new costume character, Sprinkles the donut!

"I'm excited to help connect people to the joy and message of Christmas through the event. *The Lights of Christmas* grows and improves every year and I'm thrilled with what we've put together this season!" -Kayla Castiglione, *The Lights of Christmas* Director

The Lights of Christmas opens this year on November 29th and runs select nights through December 29th. Tickets are priced per car and must be purchased online before arrival. More information can be found at www.TheLightsofChristmas.com, or by phone at 800-228-6724.

We hope to see you this year at *The Lights of Christmas*.
