### *The Lights of Christmas presents... A Drive-Thru Christmas*

**October 2021, Stanwood, WA** – There is something special about *The Lights of Christmas*! More than dazzling lights, *The Lights of Christmas* brings both nostalgia and innovation together for a Christmas experience to lift the spirit and uncover the hope of the holidays.

This year *The Lights of Christmas* presents... A Drive-Thru Christmas. This drive-thru event lavishly celebrates the meaning of Christmas through new and classic displays alike.

*"We have many new displays this year. One of my favorites is the expanded Nativity scene. Another one I'm looking forward to is the Icicle Falls which is a waterfall made of lights that cars will drive under."*

-Kayla Castiglione *The Lights of Christmas* Director

The new and creative displays are not all that's new this year. This year introduces *The Lights of Christmas* mobile app where guests can hear a reading of the Christmas story, participate in advent with a special calendar, hear Bruce the Spruce jokes, storytelling and more! This free app is a great way to experience the magic of Christmas from the coziness of your home or even during the event! The app is available for both Android and iOS.

Snacks and hot beverages, including the always popular hot, fresh MINI-DONUTS and S&T Coffee, will be available as a drive-thru experience. Merchandise is also available for sale while supplies last and include a specialty ornament, tree light wand, apparel, and more! This year there will be a special photo area at the end of the drive-thru route where cars can park and take a selfie at the event.

*The Lights of Christmas* presents... A Drive-Thru Christmas opens this year on November 26<sup>th</sup> and runs 34 select nights through January 8<sup>th</sup>. Tickets must be purchased online before arrival. More information can be found at [www.TheLightsofChristmas.com](http://www.TheLightsofChristmas.com), or by phone at 800-228-6724, ext. 2282.

We hope to see you this year at *The Lights of Christmas* presents... A Drive-Thru Christmas.
